## STATEMENT OF PROBABLE CAUSE

(For issuance of an arrest warrant or summons)

I state that on 08/20/2022 while exercising my duties as a law enforcement officer in the \_\_\_\_\_ District of MT

Pursuant to 16USC 551: I, United States Forest Service (USFS) Law Enforcement Officer (LEO), Anthony FEDELE, state that on August 20, 2022 at approximately 1328 hours, I was exercising my duties as an LEO on Helena-Lewis and Clark National Forest (HLCNF), in Lewis and Clark County. I was contacted Jefferson County Deputy DAVE, badge # 51-8, about a motor vehicle off road and a fire at the Crystal Creek disbursed camping area on the HLCNF, in Jefferson County.

I responded and arrived on scene at approximately 1403 hours. I followed deputy 51-8 approximately 200 yards off road, along the edge of Crystal Creek, where I observed a 1998 blue ford pickup with Montana license plate BXY366. I also observed the owner, Nancy WILSON, whom I had contact with the previous day regarding a fire started on private property approximately 1 mile away from her present location. Upon further questioning WILSON told me she drove her truck to it's present location to go camping. She told me she wasn't aware driving off road wasn't allowed. The Elkhorn Mountains have been through the Forest Service travel management process and have been designated, by the Elkhorn Motor Vehicle Use Map, as having no motor vehicle use off of designated routes. WILSON drove off Crystal Creek Road, over two separate rock barricades, and around a wooden jack-leg fence barricade to get 200 yards off road next to the edge of the actual Crystal Creek stream. WILSON attempted to drive her truck out of the area but got stuck on the edge of the stream, her truck fell partially into the stream, became high-centered and unable to move.

WILSON was going to be transported to MT City to call for a tow truck, however, prior to being placed into my patrol vehicle, I conducted a search for weapons in accordance with my agency policy. During the search I asked WILSON to empty the zip pocket on the back of her shorts because I saw what appeared to be an elongated hard object outlined in the pocket. I wanted to make sure it wasn't a pocket knife so I asked WILSON to please unzip that pocket and pullout the pocket fabric to remove what was in the pocket. WILSON removed a small clear container containing a white crystal looking substance. WILSON

The foregoing statement is based upon:
